

New topic under an Existing Approved Umbrella Course

Draft 8/25/2017

This option to skip the Curriculum Committee and the Faculty Senate is limited to the very first time a new topic is considered for approval. This option is limited to a topic under a previously approved umbrella course.

New topics may also choose to go through the regular Curriculum Committee/FS process the first time the course is approved.

For modifications & 5 year updates a topics course is treated as a regular course and must go through the regular workflow.

FYI before Department = STAR GPS, any individual who requests to receive notification of new topics under an existing workflow

FYI after Vice Chancellor = CELTT, CCAC Chair, Deans, Department Chairs, Kalāualani Council, Library, Taskstream Coordinator
