

MEMORANDUM

April 17, 2017

To: Susan Inouye, Faculty Senate Chair
From: Michelle Sturges, Senator for LLR & CELTT
Subject: Amendment to Bylaws re: Unrepresented faculty

There are Kapi'olani Community College faculty members who do not presently have Senate representation because they are in positions that are not affiliated with any of the units listed in the Membership section of the Bylaws (Article I, Sections 1.A and 1.B).

On behalf of these faculty, I am writing to propose that the support unit list in the Membership section of the Bylaws (Article I, Section 1.B) be amended to include an additional unit, to be called "Institutional Support Faculty" which will be composed of faculty who are part of the Combined Departments for Personnel Review (CDPR) but who are not a part of either the Office of Continuing Education and Training (OCET) or the Honda International Center (HIC).
