

UHPA Statement – May 1, 2017

KCC UHPA Director Sally Pestana encourages you to monitor the email address you receive UHPA communications from carefully over the next couple weeks for more negotiation updates. You received updates on April 22nd and 23rd with detailed specifics on the latest contract proposal from Governor Ige. There is specific information in the April 22nd email that will allow you to calculate how the Governor's proposal to move from a paying a percentage of your health care premium to a flat fee towards your premium will impact you personally. There is information in the April 23rd email regarding the reality of the HSTA contract you may have read about over the weekend.

There is a postcard campaign in which you can share your thoughts with Governor Ige directly. Please check out this link for more details on sending a postcard, and to see what your colleagues have sent him. <https://www.uhpa.org/issues/dear-governor/>
