MEMORANDUM

March 26, 2015

TO: Veronica Ogata
Faculty Senate Chair

FROM: Leon Richards 
Chancellor

SUBJECT: Response to Resolution 03022015-1

Here is the response to Faculty Senate's request that on each program grid of the catalog, the following language, in addition to the program requirements, include the statement, "See institutional policies on awarding of degrees and certificates."

This is a request to modify the additional language to the program data. Rather than "See institutional policies on awarding of degrees and certificates", we suggest using the full statement:

"To be considered in good standing and to be eligible for a degree or certificate, students must maintain a cumulative grade point ratio (GPR) of 2.0 ("C") or higher."

This would prevent sending readers somewhere else when the full text is not that much longer. The whole statement will be included in every curriculum grid in time for the 2015-2016 catalog.
