Please describe the action requested:	Revise the 2010 Course Level Assessment Plan	
Proposed Recommendation:	The 2010 Course Level Assessment Plan was designed to guide the College's course level assessment activities up to the Fall 2012 Accreditation Self Study. While there is much guidance in the Plan that is timeless, there are also areas of the Plan that are no longer applicable, such as the organization of an Assessment Team structure (page 3) that is no longer supported by the College. The plan should be updated so as to be able to provide faculty with course level assessment guidance going forward.
