Is there a relevant deadline for action by the Senate? If you answered YES, please indicate the deadline date:	
Please describe the action requested:	Currently, the AA Degree in Liberal Arts requires one physical science (DP), one biological science (DP) and one laboratory science (DY). Currently we require a matching lab to the physical or biological science course. However, the University of Hawaii at Manoa does not require a matching lab for its DY requirement.
Proposed Recommendation:	Revise requirement for the Associate in Arts (AA) in Liberal Arts natural science diversification requirement so that a non-matching (DY) Laboratory Science is acceptable.
