Is there a relevant deadline for action by the Senate? If you answered YES, please indicate the deadline date:	
Please describe the action requested:	I am asking the Faculty Senate to support in writing a/c for all faculty and staff during their regularly assigned duty hours during spring break and other regular work days throughout the year. HGEA and UPW employees worked during the winter break with limited a/c on 3 days and no a/c on 5 days. Even though it was winter, our work spaces were hot and stuffy. The KCC mission statement says we are a nurturing workplace and that is not true if Administration expects people to work without a/c in the tropics.
Proposed Recommendation:	I am not faculty and am not sure of Faculty Senate processes and procedures. I am asking for a letter, memo, resolution, or something supporting tolerable working conditions for staff who are scheduled to work when a/c is planned to be off. There are many other ways to save electricity.
Other:	As you know, spring break is 3/23-3/27 so the soonest anything can be done, the better. If supporting your co-workers does not fall into your kuleana, I thank you anyway for your time and consideration.
