RE: Resolution 120152016-3 on UH Course Evaluation System

On December 5, 2016, the Faculty Senate officially passed a motion to endorse the UH Mānoa Senate resolution opposing implementation of the UH Course Evaluation System, and to suspend the work of the Ad Hoc Committee on Kapi'olani CC customizations to the UH CES until the issue of whether or not it will be adopted is resolved.

Discussions of the UH Course Evaluation System continue at the All Campus Council for Faculty Senate Chairs, with almost all campuses agreeing that the process by which the Course Evaluation System is being mandated lacks full consultation with shared governance bodies. The ACCFSC has invited President Lassner to attend its February meeting in an effort to resolve unanswered questions.
