RE: Resolution 09022016-6 in Response to Recommendation by SLO Assessment Committee

The Faculty Senate Executive Committee met on June 8, 2016 and discussed your June 5, 2016 request to include the Summary Course Learning Report. What we determined is that the Summary Course Learning Report step should be vetted through the Faculty Senate SLO Assessment Committee before the request could be sent out to Department Chairs.

On October 3, 2016, the SLO Assessment Committee, represented by Susan Jaworowski and Tony Silva, recommended the approval of the Summary Course Learning Report. Faculty Senate officially passed the following motion:

MOTION #6: Motion to approve the Summary Course Learning Report.

Please see the attached Summary Course Learning Report document.
