Re: Resolution regarding Amendment to Bylaws re: Unrepresented Faculty

Date: May 1, 2017

At our May 1, 2017 Faculty Senate meeting, the Faculty Senate considered the memorandum that was submitted proposing a change to the Faculty Senate Bylaws to afford Senate representation to faculty who are not affiliated with any of the units listed in the Membership section of the Bylaws (Article I, Sections 1.A. and 1.B). The memorandum is attached.

The following motion was passed:

Motion 12: Motion to endorse the memorandum proposing a temporary amendment to the bylaws with the addition that the temporary solution expires May 2018 if no permanent solution is found.

The Faculty Senate respectfully requests an expeditious response approving this amendment in order to give the proposed new unit the opportunity to elect a Senator who can participate in the electing of the incoming Executive Committee of the Senate.
