memorandum

November 14, 2016

To: Susan Inouye, Chair, Faculty Senate

Subject: Response to Faculty Senate Resolution 09022016-1: Policy on Prior Learning Assessment

Section V of UHCCP #5.302 Prior Learning Assessment (PLA) Program assigns responsibility to each campus to create, implement, and maintain a program to assess prior learning. Dr. Trude Pang is to be commended for taking on the responsibility to draft the campus policy. However, the draft policy submitted by Dr. Pang, approved by the Faculty Senate, and forwarded as Resolution 09022016-1 requires substantive revision to reflect a PLA program specific to Kapi'olani CC. In its current form, Dr. Pang's draft combines elements applicable to the UHCC system PLA as well as those specific to Kapi'olani CC.

Dr. Pang's draft will constitute the working document for the development of a campus policy. The CAC Policy Work Group will be given responsibility to prepare the policy according to the established policy template for further discussion and campus approval by the Chancellor's Advisory Council (CAC), as are all college-level policies.
