MEMORANDUM

May 20, 2014

TO: Faculty Senate Chair Susan Dik
FROM: Leon Richards
Chancellor 
SUBJECT: Thank you for your Service

Susan,

It has been a tremendous privilege to work with you as Faculty Senate Chair for the past two years. Your commitment to the position is commendable, consistently attending meetings of the PPAC (Policy, Planning and Assessment Council), and later the CAC (Chancellor's Advisory Council) as well as the AGO (Authorized Governance Organization) meetings. In addition, you actively participated in the UH system level Faculty Senate committees.

You were a major contributor to the ACCJC accreditation process, even coming to meet with the Evaluation Team on a Saturday. The Faculty Senate Forums you and the Senators hosted were extremely impactful, especially the forum on SLOs and faculty evaluations. It was your vision to bring John Morton and J. N. Musto to the campus to have an honest dialogue about this important issue on campus. It was evident that you were always advocating for the faculty but also keeping the betterment of the entire college in mind.

Though we didn't see eye to eye on every topic, you were always pleasant, fair and open-minded, a tribute to your collaborative approach. Susan, you have been a wonderful colleague, an esteemed faculty member and a Faculty Senate member and Chair, and I look forward to your continuing contributions to Kapi'olani Community College's 'Ohana.

Mahalo nui loa.
