Subject: Response to Faculty Senate Action Request AR 1617011: Taskstream
Administrator FYI in KSCM

I received Action Request AR 1617011 on April 30, 2017, stating that a motion was made and approved on December 5, 2016, to add a new FYI in KSCM to automatically notifying the Taskstream Administrator when a course or program is approved through the curriculum process.

The request in this resolution was also included in the resolution regarding curriculum workflow for courses and programs, which was approved in its entirety.
